

LITERARY FUND IS APPORTIONED

Whole Sum is Nearly Two Hundred
Thousand Dollars.

BASED ON SCHOOL POPULATION.

Richmond Gets More Than Seven Thousand
Dollars, the Largest Amount That
Goes to Any City or
County.

The apportionment of the Literary Fund has been made by the Department of Public Instruction. The apportionment is at the rate of twenty-eight cents and four mills per capita of the school population. The whole amount apportioned is \$198,222. This apportionment is made on account of the appropriation by the General Assembly under act approved March 7, 1901, and the accumulated interest on investments of the Literary Fund. From the gross amount accruing from these sources are deducted the salaries of county and city superintendents of schools, the expenses of the central office, and the appropriation for summer normal schools.

The following table shows the school population of each county and city, and the amount of money apportioned to each:

AN IMPORTANT CASE.

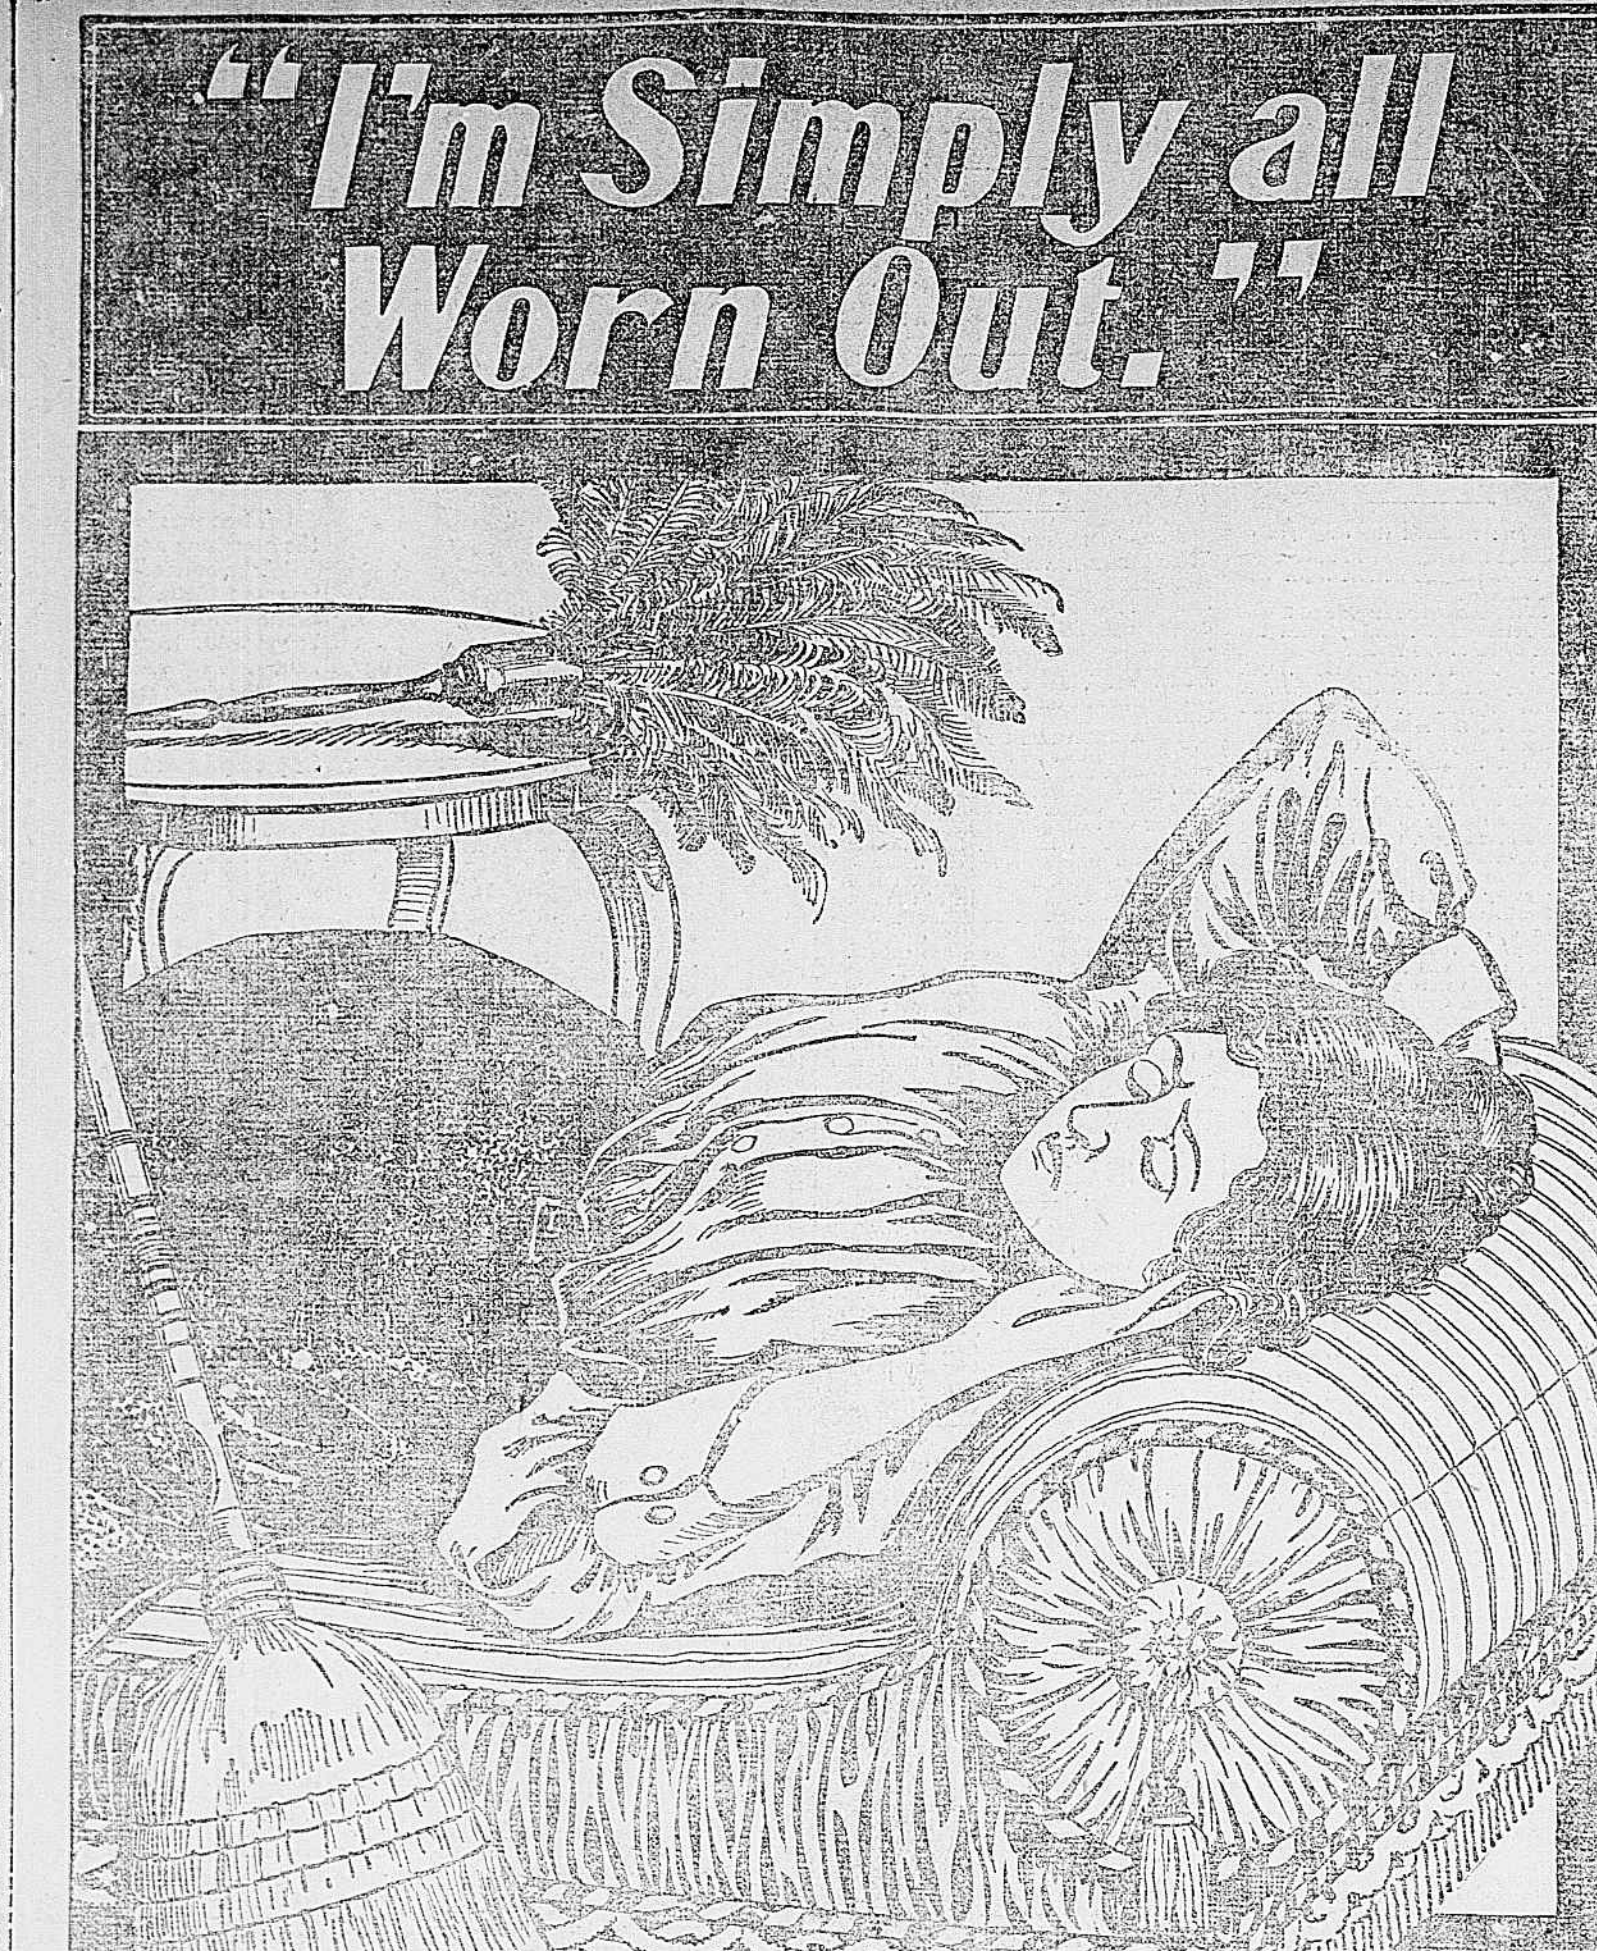

Arrest of Youthful Car-Jackers May Lead to Other Arrests.

What may be an important case is that of the six boys arrested last night by Special Officers Duke and Pollockman, Warner and Kraft, on the charge of breaking into Chesapeake and Ohio cars, as mentioned in yesterday's Times. This case was called in the Police Court yesterday morning, but went over to this morning for witness. Officer Lutz has been at work on the case for some time, and expects to arrest others who are implicated in the robberies. Some of the articles stolen were whiskey and powder, and several of these under arrest were said by the officers to have entered a car loaded with an explosive while they were smoking cigarettes, and the wonder is that they were not blown to atoms. The boys under arrest are Willie, Fred, and "Cub" Williams, Clarence Morris, "Bunch" and Thomas Latimer.

Pattie Hayes (colored), for cursing and abusing Ida Belle Jackson and striking Elmer Jackson, was fined \$5.

David Garner, for striking his wife, was fined \$10 and required to give security for ten days.

Overworked Women.

Fatigue is the natural result of hard work, but exhaustion results from weakness.

Hard work for a weak woman is traffic in flesh and blood.

It makes little difference what the field of work is, whether at home or elsewhere, if there is weakness, work brings exhaustion.

Ability to stand the strain of hard work is the privilege of the healthy and robust.

How our hearts ache for the sickly women that work for daily bread at some ill-paid factory employment!

How distressing also to see a woman struggling with her daily round of household duties, when her back and head are aching, and every new movement brings out a new pain!

If the mere looking on at these suffering women touches our hearts, how hopeless must life be to the women themselves!

Their devotion to duty is a heroism which a well person cannot understand.

Can these ailing, weak women, who are called upon to do work which would tire a strong man, be made to see that they can easily and surely better their condition?

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound, convince them of the virtues of this medicine?

How shall the FACT that it WILL HELP THEM be made plain?

When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying it, "I do not believe it would help me?"

Surely you cannot wish to remain weak and sick and discouraged, exhausted with each day's work. You have some derangement of the feminine organism, and Lydia E. Pinkham's Vegetable Compound will help you just as surely as it has others.

Read the letters from women in the opposite column of this paper, and when you go to your drug store to buy this sterling medicine, do not let yourself be persuaded to accept the druggist's own valueless preparation because it is a few cents cheaper than

Evidence of Mrs. Pinkham's Cures.

DEAR MRS. PINKHAM:—One year ago I read a letter in a paper telling how much good one woman had derived from Lydia E. Pinkham's Vegetable Compound. I had been sick all winter and was nearly discouraged, as the medicine the doctor gave me did me no good. I had kidney complaint, leucorrhea, itching, bearing-down feeling, and painful menstruation. I wrote to you describing my trouble and soon received an answer telling me what to do. I followed your instructions, and have taken nine bottles of Vegetable Compound and used one package of Sannative Wash and one box of Liver Pills. I am well now, do not have those sick spells at the monthly period, but can work all day, and that I never could do until I began taking the Compound. I cannot praise the Compound too highly. I do hope every suffering woman will learn of your remedies and be cured as I have been. I wish all success to the Compound; it has done him heights, Ohio.

as I have been. I wish all success to the Compound; it has done him heights, Ohio.

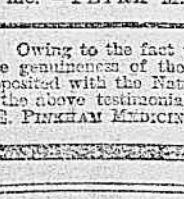

"DEAR MRS. PINKHAM:—I wish to let you know that Lydia E. Pinkham's Vegetable Compound has cured me of painful menstruation from which I suffered terribly. I really believe that I would be insane to-day if it had not been for your medicine. I cannot praise your Compound enough, and feel that if all who suffer from female troubles would put themselves under your care and follow your advice they will find relief."—MISS K. E. SCHOLTES, Mt. Oliver, Pittsburg, Pa.

"DEAR MRS. PINKHAM:—For eight years I have suffered with inflammation of the womb and bladder, great and painful menstruation, and at times it seemed as though I should die. I desisted most of the time, but seemed to fail every year. A short time ago I began to take Lydia E. Pinkham's Vegetable Compound, and thanks to your wonderful medicine, I am to-day a well woman. Your medicine is woman's best friend."—MRS. L. L. TOWNE, Littleton, N. H.

"DEAR MRS. PINKHAM:—I suffered for six years, sometimes being unable to get about at all. It seemed to me as though I could not live, and I did not care to. I had womb trouble, kidney trouble, leucorrhea, backache, was nervous, and had no ambition. Was obliged to give up my trade. I tried three doctors, but they did me no good, so I thought I would try Lydia E. Pinkham's Vegetable Compound. I did so, and I felt better after the first bottle, and by the time I had taken six I was able to resume my work again. I shall always praise your Vegetable Compound."—MRS. MARY A. RUSSELL, Chinoctegus Island, Va.

"DEAR MRS. PINKHAM:—I was sick for seven years without any relief, although treated by two of the very best doctors in this city. A few years ago I was nothing but a living skeleton. The doctor said my heart was the cause of all my sickness and that I could only be relieved, but never get well. Sometimes I would get so exhausted and short of breath that I would not know what to do. My nerves were very weak, blood impure. Was troubled with hands and feet swelling; also had leucorrhea. I have taken six bottles of Lydia E. Pinkham's Vegetable Compound and feel well once more. I have gained twenty-seven pounds and am able to work all day in the store and do not feel tired when I get home at night. Words cannot express my gratitude to Mrs. Pinkham for what her medicine has done for me."—PETRA M. LOYA, care of L. Wolfson, San Antonio, Texas.

WIFE-BEATER.

The case of William Lufsey, charged with beating his wife and attempting her life, was continued in the Hustings Court to-day, in order to allow Lufsey to arrange for a proper defense.

D. M. Wilkins, the young white man who robbed Mrs. Marsh of \$150 several weeks ago, was tried at the last term of the court, but the jury failed to agree. His case came up again to-day, and the jury fixed his punishment at three years in the penitentiary.

MORE LIGHT.

The Southside Railway and Development Company are stringing hundreds of lights along the streets of the city, to be used during the Confederate reunion next week. The merchants will keep their stores brilliantly lighted until after midnight each night.

Dr. Battle will preach a special sermon to a group of veterans at the First Baptist Church Sunday night.

The Virginia German Club gave its first, go man of the season to-night at Liberty Hall.

FOOTBALL GAME.

Richmond College and Fredericksburg to Play This Afternoon.

Richmond College and Fredericksburg College will play football this afternoon at 4 o'clock at Broad-Street Park.

The teams of the two colleges are evenly matched, and good snappy ball will no doubt be played. The local team has been on the field every afternoon this week, and though Dr. Garnett Nelson, the team's coach, has been out of the city, they have been put through good practice by the assistant coaches.

The Fredericksburg team will arrive this morning. There have been some changes in the line-up of the Sunders and the Richmond team, Captain William Macoy. The team will probably go on the field as follows:

Center, Webster; right guard, Williams; left guard, Thayer; right tackle, Hiram Smith; left tackle, Bower; right end, Gilliam; left end, Collier; right half back, Lester Hudson; left half back, Frazer, captain; full back, Broadbush; quarter back, Frank Kerfoot.

This will be the line-up of Fredericksburg.

Another Victim of a Stray Shot.

Russell Gill, the nine-year-old son of Mr. D. C. Gill, of Thirty-fourth and Leigh Streets, who was accidentally shot a few days ago while walking along near Oakwood Avenue, is getting along very nicely.

Russell, with several companions, was walking along a ravine and on the other side there was another crowd of boys, one of whom was James Godsey, who was firing a rifle at a bird. The ball missed the bird and struck Russell in the forehead over the left eye. Dr. St. Julian Oppenheimer has treated the wound.

He expects to be all right. This is the third victim in Henrico county of a stray rifle bullet.

Exploding Lamp Does Damage.

At 6:30 o'clock yesterday evening a lamp exploded at No. 1213 1-2 Short Leigh Street, owned and occupied by Annie E. Thompson, colored.

An alarm was turned in from Box No. 314, and the Chemical, which responded with its accustomed celerity, speedily extinguished the blaze. The damage is about \$5. There was \$300 insurance on the furniture, but none on the building.
